I just heard from the Division Director (Yu-ting) and Branch Chief (Kevin Costello) that they are available on the 13th at 2. I'll check with the CA FB to see if that works, if not, I'll try for the 14th.

Here's the one pager (which incorporates input from OPP).

I can do a short separate meeting on the 14th if they want. Will they be in town?

Hi Corrine,

I received your voicemail requesting to schedule a secondary meeting with Nancy on the 13th and am checking with her scheduler to see if she is available during the proposed times.

Would it be the same topic of discussion (draft risk assessment for pyrethroid insecticides)?

Thanks.

Hi Yu-Ting,

Thank you so much for getting back to me and I hope you had a nice holiday as well.

Let's tentatively hold the 1pm slot on the 11th to meet with you and the registration review team. However, does Nancy happen to have any availability on the 13th from 11am-2pm?

Thanks,

Corinne

Hi Corinne

Hope you had a good July 4th holiday. I just want to get back to you about the proposed meeting for 7/11.

The registration review team and I can meet with you at 1 p.m.; however, Nancy Beck is not available at all on the 11th. She does have some availabilities on the 10th or 12th in case those days can be worked into your schedule. If so, please identify a few time slots for both 7/10 and 7/12 so Avivah can work with Nancy's calendar.

Please let us know how you'd like to proceed, thanks.

Corinne—

Thank you for your note. Unfortunately, I have a conflict on July 11th and will not be in the office that day. I'm cc'ing Yu-Ting Guilaran, Director of the Pesticide Re-evaluation Division, and Avivah Jakob, Special Assistant for Pesticides in the Office of Chemical Safety and Pollution Prevention, to see whether Yu-Ting and/or Nancy Beck might be available.

Sorry I won't be able to join you.

Hi Rick,

I hope this message finds you well. The CA Farm Bureau President, Paul Wenger, would like to schedule a meeting to discuss the draft risk assessment for pyrethroid insecticides. He will be accompanied by Gabriel Ludwig (Almond Board of CA), Roberta Firoved (CA Rice Commission), Jean-Mari Peltier (Environmental Solutions Group), and possibly a couple others. They are interested in meeting with you, Yu-Ting Guilaran, Kevin Costello, Dr. Nancy Beck, and any others you think would be pertinent to the meeting. The group is hoping to schedule a meeting on Tues., July 11 between 11am-2pm. Thank you in advance for your consideration and I look forward to working with you.

Best,
